

MEMBERSHIP APPLICATION

OUR MISSION: To be an effective, vibrant advocate for all photographers of any skill level in our community and to provide an opportunity for area members to cultivate photographic expertise in a supportive, enjoyable atmosphere.

Membership includes beginners, serious amateurs and working professionals; providing great opportunities for networking, questions, and informal education. That's the formal mission statement. The short version is that we want to learn and to have fun!

Our program has three main components:

- ▶ Monthly homework themes with images presented at the next meeting. Constructive discussion and guidance is given by our best experts and our membership about how to improve the pictures.
- ▶ Presentations or workshops about a broad range of topics. Knowledgeable experts both from within and from outside CPG, talk about topics such as composition, understanding light and how to mat and frame your photos.
- ▶ Field trips to places of photographic interest. These adventures have been popular with fun and productive adventures to locations such as Sapelo Island; Jekyll Island for birding and the sunrise; a private tour of the Hofwyl-Broadfield Plantation; and, a guided boat tour of the Okefenokee Swamp and an architecturally rich visit to Savannah.

We also present a member only exhibit called The Big Photo Show for the entire month of July at the Glynn Art Gallery. The 2009 version was an amazing exhibit of hard work and talent. The 2010 show promises to be even better.
